Directions: Fill out the venn diagram based on your notes from the videos and screen addiction article.

Directions: Mildred traveled through a portal that transported her from her dystopian reality in *Fahrenheit 451* into our reality. As her guides to our world, you notice that Mildred has an unhealthy relationship with modern technology (far beyond calling Air pods “seashells.”) As a group, you must come up with a plan to help her using the video and article resources. First, determine if we should classify Mildred’s relationship with technology as a bad habit or addiction. Use details from the text to explain your decision.

Case: Mildred Montag

Technology Use: (circle) Unhealthy habit Addiction

Why? (Use details from text and articles)

Plan to help Mildred: Come up with a plan to help Mildred change her negative technology use so she can be successful in our reality. **Use information from the videos and texts.** The plan can be a detailed list of strategies for her to follow. Each group member must write a part of the plan. The plan must be consistent with your “diagnosis” of her technology use as a habit or addiction. **YOU WILL NOT GET CREDIT FOR YOUR PORTION IF IT IS NOT IN COMPLETE SENTENCES.**
